

I benefit from listening to XM Satellite Radio and its traffic and weather channels.

I think satellite radio provides variety and quality that is not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what you are permitted to hear.

Respectfully I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.

FIRST AMENDMENT used to mean something!!!!!!!!!!!!!!!!!!!!!!
